We're in the midst of the Week of Resistance. It's time to escalate our resistance from solidarity to strategy, from protest to power. As part of our collective resistance, we've joined the call for a Week of Resistance, Jan 23-31, to target key points of U.S. militarization.

New National Coordinators, Austin Cole, Erica Caines, Tunde Osazua, and new Coordinating Committee Chairperson Jacqueline Luqman

Dear comrades and supporters,

The Black Alliance for Peace is proud to announce that we are entering a new stage in our struggle to defeat the war on Africans/Black people in the U.S. and abroad!

Beginning on March 1, 2025, BAP will experience a new change in leadership. We are honored to have a new BAP Coordinating Committee Chair, Jacqueline Luqman; Coordinating Committee Vice-Chair, Jaribu Hill; and our new National Co-Coordinators, Erica Caines, Austin Cole, and Tunde Osazua!
