From: James A. Fulk, EyesoftheRepublic.com

To: [REDACTED] Director [REDACTED]

Subject: Potential Case of U.S. Treasury Sanctions Violations by Mr. Michael Allen Adams of Natural News

Dear Mr. [REDACTED],

This letter is in response to your interest in Mr. Michael Allen Adams and his Natural News website and specifically in regards to whether Mr. Adams and his websites might be encouraging the violation of U.S. Treasury sanctions placed against Russian intelligence tasked and controlled organizations that are involved with spreading disinformation (what we can call active measures which are used in support of Russia's foreign policy goals).

Within this letter, I have provided links to and screenshots of some (there are many more) occurrences of Mr. Adams's staff writers republishing both articles and videos respectively linked to Russian intelligence controlled and tasked organizations.

I would like to say that it is my hope that something good comes out of this information I am sending your way. The ideal scenario would be that Mr. Adams puts a stop to what is happening on his websites and writes a letter and/or provides a video to his readers and viewers letting them know that they have been targets of Russian tasked and controlled organizations' active measures. I suspect the likelihood of this happening is virtually nil, because people like Mr. Adams (as I have documented on my website) are deeply entrenched in the Russian active measures ecosystem and exist in an almost alternative

reality. That being said, please extract whatever information you might find useful out of this letter and incorporate it into your own research and investigations if you find it useful.

Mike Adams, Natural News and Brighteon

Mr. Adams is the founder and editor of NaturalNews.com.¹ He is the president of Brighteon Media Inc, and his wife, Mrs. Sheh Adams, is the director of Brighteon.² NaturalNews and Brighteon are linked together such that videos that are uploaded to Brighteon by users of Brighteon, including videos by Mr. Adams, are featured on the front page and in articles by the writers on the NaturalNews website.

Writers for the Natural News website (what appear to be the staff writers) republish articles from the Strategic Culture Foundation and embed videos by South Front into their articles. This has been going on for many years; however, and more importantly, it continues to occur after U.S. Treasury sanctions went into effect against these two organizations.

The Strategic Culture Foundation

The Strategic Culture Foundation (SCF) is an online journal that was founded in 2005 and registered in Russia.³ SCF was co-founded by Mr. Yuri Prokofiev (he also served as their

You believe in God, in the afterlife. I believe in communism.”⁷ In August of 2020, the U.S. Department of State reported that the SCF was directed by Russia’s Foreign Intelligence Service (SVR).⁸ The current director of the SVR is Mr. Sergey Naryshkin who was a prior first secretary in the Communist youth group (Komsomol) and prior KGB agent. On April 15, 2021, SCF was sanctioned by the U.S. Department of the Treasury’s Office of Foreign Assets Control pursuant to Executive Order 13848.⁹

SouthFront

SouthFront was “first registered as a formal organization to the domain registration site Reg.ru on 30 April 2015 in Moscow.”¹⁰ Research published by the State Department and on EyesoftheRepublic.com (for the latter see appendix D) indicates that it is reasonable to

conclude Mr. Konstantin Knyrik was involved with the early iteration of SouthFront.¹¹ On April 15, 2021 the U.S. Department of the Treasury’s Office of Foreign Assets Control sanctioned SouthFront pursuant to E.O. 13848, 13694 and E.O. 13382 “for acting on behalf of the FSB.”¹² The current Director of the FSB is Mr. Alexander Bortnikov who was also a Komsomol member and KGB agent.

Konstantin Knyrik and Aleksandr Dugin

Due to Mr. Knyrik possibly being involved with the early iteration of SouthFront, it is worth mentioning more about him here (also see Appendix D). Mr. Knyrik was the Crimea branch head of the Eurasian Youth Movement (ESM).¹³ ESM was started in 2004 as the youth wing of Mr. Aleksandr Dugin’s International Eurasia Movement. Mr. Dugin was born in what was believed to be a Soviet Military Intelligence and Communist Party family, was a lecturer at the Russian General Staff Academy in their Department of Strategy in the 90s.¹⁴ Mr. Dugin’s 1997 book *Foundations of Geopolitics* called for destabilizing the internal political processes in the U.S., taking back Ukraine, tearing “Europe from US (NATO) control”, and geopolitically destroying the United States of America.¹⁵ ESM received Russian Presidential

Administration backing and funds.¹⁶ The emergence of the ESM Crimea branch was linked to the Russian Black Sea Fleet intelligence personnel meaning Russian Military Intelligence (GRU).¹⁷ Mr. Knyrik once said “our foremost priority is to focus on the creation of the empire; the first goal is to break Crimea away from Ukraine. To join it to the empire first.”¹⁸ This is congruent with the plans laid out by Mr. Dugin in his Foundations of Geopolitics.

More on Mike Adams, Natural News and Brighteon

The U.S. Treasury sanctions against the FSB tasked SouthFront and the SVR controlled SCF have not gone unnoticed by Mr. Adams’s writers at NaturalNews.com. On March 9, 2022, NaturalNews writer with the name or alias of Mr. JD Hayes wrote an article (filed under the category of corruption) with the title “Treasury Dept. sanctioning “Russian-backed” news outlets for ‘advancing false narratives’; Are U.S. alternative news sites next?”¹⁹ In the article for NaturalNews, Mr. Hayes acknowledges that SCF and SouthFront received U.S. sanctions, and the article concluded by saying “the point is, if this regime wants to, it will find *any excuse* to sanction its political opponents in the media by cutting off their ability to earn revenue, which will slowly starve out the only outlets that really report the truth.”²⁰

Despite acknowledging the SCF and SouthFront were under sanctions, the writers for NaturalNews continued republishing SCF articles and embedding SouthFront videos into their articles. The SouthFront videos end by soliciting cryptocurrency donations to SouthFront.

Russian Intelligence Active Measures Conduits Targeting English Speakers by James A Fulk
Regarding SouthFront**

Mr. Knyrik, marching at times near the head of the column, oversaw the forceful takeover of the center. Initially, the employees inside refused to open the front door so the little green men made it known they were serious about entering, one way or another, and smashed a piece of concrete through a window in the front of the building to make it known to those inside they were serious after which they were granted entry and the center's takeover then began in earnest. A local news outlet KOMTV filmed the entire event from the outside and a masked representative of the column announced that Crimean Front was now in charge.^{21,22}

Within days of capturing the center, the first web snapshots of www.crimfront.org (March 9th) and www.krimfront.info (March 11th) appeared on the Internet Archive Wayback Machine.^{23,24} Both of these websites shared a physical address at st. Sevastopol, 20A according to their respective websites. Krim Front also directly linked to Crimea Front and KOMTV featuring their website

logos on its website.²⁵ Mr. Sergei Veselovskiy, who would go on to be News Front's Chief Anchor, appeared on multiple videos as an interviewer of guests in front of the KrimFront.Info banner indicating he worked for them.²⁶

During the month of March, the Internet Archive Wayback Machine took first snapshots of YouTube channels /Crimeanfront (March 7th), /crimeafont2 (March 10th), /cfpresscentr (March 27th) and /ygfront (March 31st).^{27,28,29,30} Channel /cfpresscentr was named Crimea Front and later changed its channel name to South Eastern Front by early 2016.³¹ It linked to Russian social media VK user /cf.presscentr which is Knyrik (his email address is cf.presscentr@mail.ru) and ANNA-News which Knyrik used until News Front was launched.^{32,33,34}

Mr. Knyrik's /cf.presscentr VKontakte social media profile listed Crimeafont.org as its website and on that website Mr. Knyrik was listed as a contact under his first name Konstantin.^{35,36} Krimfront.info linked to Crimeafont.org (remember the two shared a physical address at st. Sevastopol, 20A) and the former listed /Crimeanfront as its YouTube channel.³⁷ YouTube channel /Crimeanfront changed its channel display name to South Front by mid-2014 and social media VKontakte /ygfront was listed as the social media page for YouTube channel /Crimeanfront.^{38,39} VKontakte /ygfront was also listed as the social media for www.Southfront.info the latter being the website for YouTube channel /ygfront.⁴⁰

Furthermore YouTube channel /Crimeanfront went on to list www.SouthFront.org as its website in 2015.⁴¹

Again, it looks likely that Mr. Knyrik (/cf.presscentr) was www.Crimeafront.org and his colleague Mr. Veselovskiy was www.Krimfront.info and both shared the physical address at st. Sevastopol, 20A. Krimfront.info was /Crimeanfront on Youtube which also listed YouTube channel /ygfront as its main channel. /Crimeanfront and /ygfront were both South Front YouTube channels and Knyrik's Youtube channel /cfpresscentr linked to both. The 2014 SouthFront website version was www.SouthFront.info (in Russian Южный фронт Интернет ополчение which translates to Southern Front Internet Militia) and the 2015 version was www.SouthFront.com (later becoming SouthFront.press). It looks like Crimean Front was the same as South Front at one point and Mr. Knyrik and Mr. Veselovskiy were in the same office working on these projects together.
